

Jenkins County Memorial Library News 9-21-22

Do you love anime? Stop by the library at 3:30 pm on Friday, September 30 to join our new Library Anime Club as we watch *Naruto: the Last* on our big screen! The Anime Club will meet monthly to talk about Japanese anime and manga, and enjoy watching anime with fellow fans. This is a free program, so come in and cheer on Naruto and fellow Leaf ninjas as they fight against the greatest threat they've ever faced!

If your kids are younger and would rather listen to stories, bring them in on Tuesdays at 3:30 pm for our weekly storytimes! Every week, there's a new fun story and new crafts to go with that story. It's a ton of fun for the little ones, so don't miss out!

Another fun thing to do here at the library are our Crafts To Go kits! You can come up to the main desk and ask for them, then take them home and make them whenever is convenient for you. Best of all, they are free!

September is almost over – how have you celebrated Library Card Sign Up Month? We've been doing it by signing people up for new library cards, of course, but we'd love it if you would tell people you know all about the wonderful benefits you get when you use your PINES library card! From the normal books, audiobooks, and movies available to check out, to the amazing items available in our Library of Things, to Libby's wonderful selection of ebooks and downloadable audiobooks, to passes for free admission to state parks, historic sites, and various attractions, it's incredible what you can do with your PINES library card!

Want to find out more about what's happening at the library? Head over to www.facebook.com/jenkinscountymemorallibrary and find out! From the latest books and movies arriving at our library to events, photos of activities, and much more, you can see it all on our Facebook page.

Well, that's all for now – see you at the library!
