

Press release for the 10-7-21 edition of the Sylvania Telephone

Welcome to October, the spookiest time of the year! Celebrate fall by coming to the library and picking up one of our great Crafts To Go, all with a seasonal slant. From black cats to pumpkins, there's no telling what kind of treats we'll have for you in our Crafts To Go bags! We've got a new kids craft every week, and new teen and adult crafts twice a month. It's a ton of fun for all ages!

The library will be closed on Monday, October 11 for our annual Staff Training Day. We will reopen on Tuesday, October 12 on our usual schedule.

Halloween will be here before you know it. If you're planning on creating a unique costume for yourself or your little ones, now is the time to prepare! Whether you want to sharpen your sewing skills, learn to turn cardboard into armor, or figure out how to add glowing lights to your costume, we have what you need to create something amazing.

Did you know that your library card doesn't just let you check out physical books and audiobooks, but lets you download and borrow them on your phone, tablet, or computer as well? Libby is our amazing e-book and audiobook service which lets you borrow items for free electronically, and all you need is your library card! All you need to do is head over to the library's website at www.sjrls.org and tap the Libby symbol. It will take you right to where you need to go!

Don't have a library card yet? (Oh no!) While you're at our website, click on the link for PINES and you can apply for an e-card. With that, you'll be able to check out ebooks from Libby, search the databases in GALILEO, and so much more. Want to check out actual physical items? If you have an e-card, all you need to do is stop by the library with your ID and you'll get a card that lets you check out the amazing books, movies, audiobooks, and so much more available at the library! Plus if you add the PINES app to your phone, you can use it as your library card, so you never have to worry about losing your card if you've got your phone handy!

Well, that's all for now – see you at the library!
