

Press release for the 9-9-21 edition of the Sylvania Telephone

Are you ready for crisp air and falling leaves? Even if those haven't made their way down here to south Georgia yet, you can start getting ready for autumn by checking out some of our books and movies here at the library! Whether you want to get a head start on creating an epic Halloween costume, learn how to make the perfect pecan pie, or watch spooky movies from now to the end of October, we've got all you need to make your fall fun!

The approach of fall isn't the only reason to celebrate in September, either – September is Library Card Sign Up Month! It's just what you need to get your fall fix of books or movies – for free!

That's not all you can check out, either. If you're planning to do a little exploring once the weather starts to cool off a bit, the library should be your first stop! We've got the Family Park Pass which gets you free admission to any state park or historic site, the Passport to Puppetry which gets you into the Center for Puppetry Arts (where a number of Sesame Street puppets including Big Bird can be found), the Go Fish Educational Center where you can learn about all of the different aquatic environments in Georgia and even go fishing, and much more!

Of course, if you'd rather stay closer to home, you can always stop by the library and pick up one of our free Crafts To Go. Every week we have a new kids craft, and teen and adult crafts every other week so everyone can get in on the fun.

Want to know more about what's happening at the library, new additions to our collection, funny posts and links to information important to our community? Head over to www.facebook.com/screvencountylibrary to get the latest news!
